STEP 2: In the event the Chief of Police fails to render a written decision within said fourteen (14) days or if satisfactory settlement has not been reached within said period, the grievant may, in writing, file his signed complaint with the Township Administrator within fourteen (14) working days following the

determination in STEP 1. The Township Administrator, or his designee, shall render his decision within fourteen (14) working days after the receipt of the complaint. This decision shall be final in all cases except where a violation of the Agreement is alleged.

The Arbitrator shall be chosen from a panel submitted by the Public Employees Relations Commission and selected in accordance with its procedure. However, no arbitration shall be scheduled sooner than thirty (30) days after the final decision of the Township Administrator. The cost of the services of the arbitrator shall be borne equally by the Township and the P.B.A. Any other expenses incurred in connection with the arbitration shall be paid by the party incurring the same. The cost of the transcript, if any, will be borne by the party requesting it. If both parties request a transcript, the cost will be borne equally. ARTICLE XXII

REDUCTION IN FORCE

1. Whenever there is a lack of funds requiring a reduction in the number of employees in the Department, the required reductions shall be made on the basis of length of service with the Township in such job classification or classifications provided the remaining employees within the classification are qualified to perform the work. Such reductions in force shall be termed "lay-off".

Where the reduction occurs in a higher classification, the member of that classification with the shortest length of service with the Township may "bump" downward into the classification with the next lower rate of pay, and shall receive compensation for that classification as set forth in Article VI of this Agreement. The member of the lower classification with the shortest length of service will then be the first person laid-off. Further lay-offs in a higher classification will be accomplished using the same procedure.

Persons on leave when a reduction in force occurs, who are otherwise qualified to perform the duties of the classification in which the reduction occurs, shall maintain their relative positions in terms of length of service within the classification.

2. Recall: Permanent full-time employees will be recalled to work in the reverse order within job classification in which they were laid off by the employer provided the employee has the necessary skills, qualification and ability for the work available. Notice of recall will be made by telegram or certified mail to the employee's last home address of record. The employee must provide the Township with any address change while waiting for recall.
3. Within twenty-four (24) hours of receiving the notice of recall, the employee shall notify the Township if he/she intends to return to work, and shall actually return to work within fifteen (15) days after receipt of the notice

of recall. Failure to respond as herein agreed shall result in loss of seniority, and the employee shall be considered to have voluntarily resigned.

4. No new employee shall be hired by the Township while there are employees on the recall list qualified to perform the duties of the vacant position, unless such employees on recall refuse to accept such employment. An employee recalled to a classification with a lower salary rate than his previous position classification may refuse such position and remain eligible for recall. Recall rights shall terminate twenty-four (24) months from the date of lay-off.

ARTICLE XXIII

SAVINGS BOND DEDUCTION PLAN

The Township shall provide a payroll deduction plan for the purchase of U.S. Savings Bonds at the request of an employee, and only at his/her request.

ARTICLE XXIV

Section 1.

The Chief of Police shall determine the need for private duty based on public safety considerations. Private duty shall not be unreasonably denied.

Section 2.

Private duty will be made available to the members of the P.B.A. provided that, in the opinion of the Chief of Police, it does not negatively impact on the conduct of departmental functions.

Section 3.

Private duty is paid for, by requestors, on an hourly basis. The Township levies an hourly administrative charge to cover costs of insurances and benefits. Should the Township increase the administrative charge, the hourly rate paid to police officers shall be raised by a similar amount. At the signing of this Agreement, the hourly rate paid to the police officers is \$25.00, the administrative charge \$4.00 per hour.

Section 4.
